K. Guster

"I had a lot of fun being an editor this year. I loved helping the class through stressful moments throughout the year and teaching them everything I knew to make a great book."

Emilie Martin

"Being an editor enables me to create pages that students can look back on when they're older. I can also add my own personal touches to pages."

Haylee Beythan

"I enjoyed being editor this year because I love to take pictures and create pages people will look back on to remember high school."

- Yearbook Staff

With a new advisor and eight new members, the yearbook staff has been busy at work since the first day of school up. Since Ms. Krygier had never been the advisor before and half of the members were new, the yearbook staff rallied together to create the best yearbook this school has ever seen. Despite popular belief, this class requires students to fulfill and meet several deadlines. Day in and day out, the yearbook staff was hard at work creating pages for the book that everyone will look back on when they are older. The theme chosen for this year was "The Internet", along with this theme are social networking pages and a url bar across the top of every page. "The theme is unique because it has never been done before, and everyone uses the internet so it is relatable," said Junior Marisa Kain. In order to fund this yearbook, the staff had to raise money by selling Butterbraids, Cheesecakes, and Little Caesars pizza kits. Come time to pick up the yearbooks, students will have a piece of Freeland history for the rest of their lives.

I love Yearbook because it is so different from most classes because you get to work independently and as a team. Plus, I love everyone in the class!

September 7, 2012 marked Freeland High School third annual

Clash for a Cure game against Alma High School. Despite a loss of the 14-6 both teams sported pink to support the cause. The Freeland boys of fall went a step further by sponsoring cancer patients, and placed his/her name onto their pink jerseys for the game. Students and members of the community came decked out in their pink to show their support in a fight for a cure. "I love the pink game because the stadium is packed" said Junior Kaitlyn Zolinski. Festivities such as; the dunk tank and face painting kicked off at 3pm to help raise money and awareness for cancer. "I had to work the tic-tac-toe game and that was my favorite game I played." said Freshman McKenzie White. The Varsity Cheer team raised over \$1,400 selling bows, stickers and pink bracelets. The

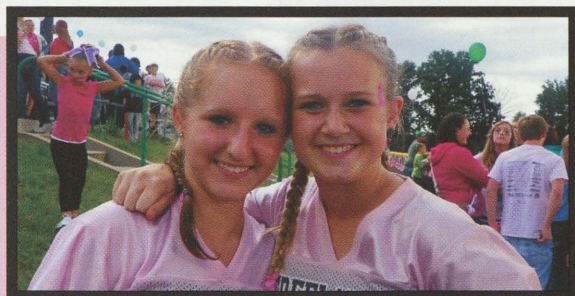

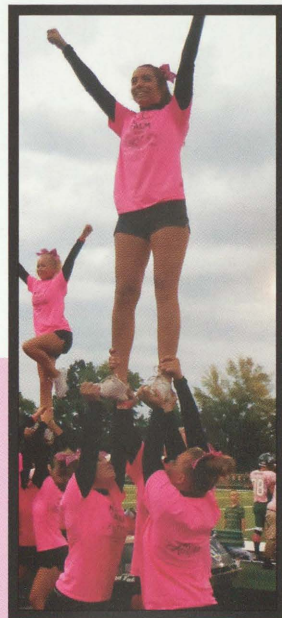

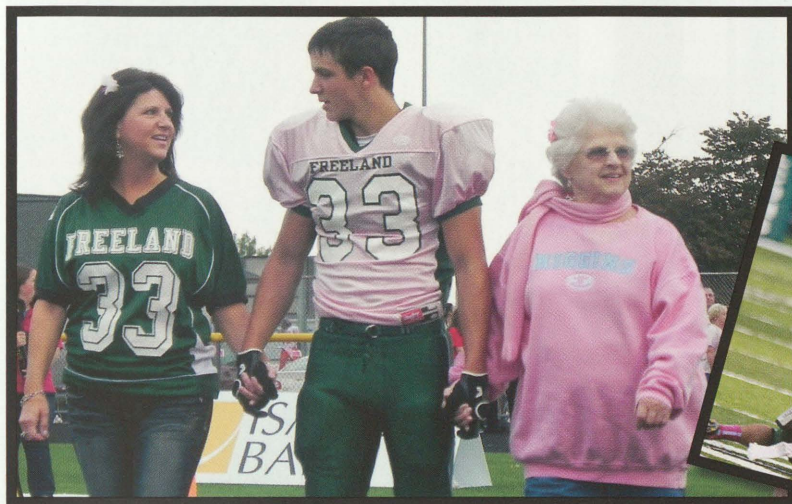

Varsity Pom team raised around \$350 selling bake sale tickets at the game. A total of \$20,500 was raised this year all of which was donated. The pink game brings the community together every year to raise awareness for a common cause. "I think that Freeland should continue to having the pink game because it's fun and makes a lot of money for cancer research," said Freshman Cameron Kasper.

May The Best Class Win

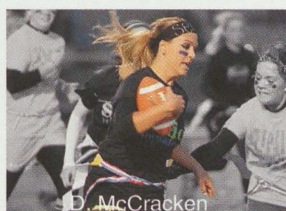

During the hype of Homecoming week, the Senior and Junior girls go head to head in the annual Powderpuff game. After the Seniors won last year, there was much anticipation that they would easily come back to defeat the Juniors. The Seniors started off on a high note when Senior quarterback **Tori Jankoska** scored the first touchdown of the night and a two-point conversion to follow. This made the Juniors kick it into gear. The quarterback for the Juniors, **Madison Zimmerman**, scored a touchdown which was then followed by a touchdown for the Seniors from running back **Tara Padgett**. The Seniors then scored another two point conversion. Before the half ended, Junior running back **Kelsey Ropp** scored a touchdown without a two-point conversion putting the Seniors ahead 16-12. **Kelsey Ropp** said, "It felt so good to score a touchdown and help my team, it really brought our confidence back for the second half." During halftime the crowd was entertained by "Guy Poms", which consisted of Seniors **Kevin Marr** and **Nick Wirtz**, and Juniors **Nathan Depelsmaeker** and **Austin Popour**. The four boys performed a routine to Carly Rae Jepsen's "Call Me Maybe". When halftime ended the Juniors came back with a vengeance when running back **Victoria Herzberg** scored a touchdown. They were up 18-16 right before Senior **Tara Padgett** snuck her way back to the end zone for the winning touchdown. After a tough game, the Seniors came out with a victory of 22-20 over the Juniors to make them back-to-back champs.

For some it was their first and for others it was their last. The fun filled spirit week led to Friday night's greatly anticipated parade, football game, and crowning of the Queen. Freeland residents of all ages gathered in the streets to watch the parade as students, teachers, and parents alike showed their spirit. Keeping with tradition, each grade designed a float to be judged for spirit points. The Freshman showed the upperclassman who was boss and came out with a first place win. Following the parade, football fans watched the team overcome Chesaning with a final score of 28 to 12. During halftime, all eyes were on the Homecoming Court. To reveal who was Queen, the Senior girls opened wrapped boxes and the girl with a white peace sign was this year's new Queen. As they anxiously opened their boxes, it was revealed that the 2012-2013 Homecoming Queen was Senior Sarah Elliott. Being chosen for Homecoming Queen was by far one of the most memorable moments of my high school career. I will never forget that night, and I will never forget the people I shared that moment with" said Sarah. Friday was a fun filled night that many are not going to forget, but that was just the starting of a busy weekend for many. Despite the poor weather on Saturday, students grew excited for Homecoming night. Many students spent this unforgettable night with their closest friends making memories that will last a lifetime. After pictures and dinner, students lined up at the doors of Freeland High School for the long anticipated dance. When they arrived they were welcomed in by the theme "Dancing Through the Decades." The decorations were very nice, it was like a blast from the past", said Senior Court Member Tara Padgett. I loved dancing the night away with my closest friends for our last homecoming together." From the parade and game, to the dinner and dance, Homecoming 2012 will go down in the books as one to remember.

Flipping the Switch

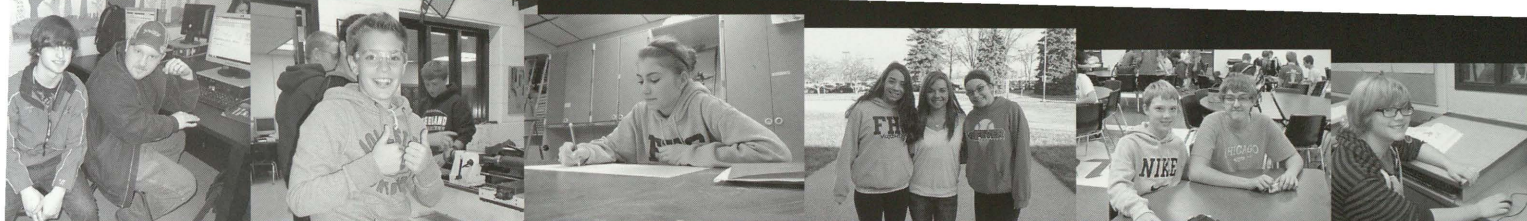

Every team has high points and low points during the season. The Freeland Varsity Football team was no exception to this. They started their season on a high with two wins against Clare, 10-7 and Ovid-Elise, 19-14. Despite a loss at the Clash for a Cure game against the Alma Panthers, 14-6, The Boys of Fall fired right back with a crushing victory over Shepherd, 37-0. The biggest game of the year came quick as Freeland faced Swan Valley. The two touchdowns came from Junior Quarterback Kyle Guster and Senior Running Back Shane Flattery. The game winning field goal was made by Senior Kicker Alex Green. Senior Running Back Mitch Noack was the leading rusher of the game with a total 196 yards. At the end, Freeland came out with a winning scoring of 16-14. With a win on hand, Freeland went to Bullock Creek and came out with a 35-14 victory over the Lancers. A victory was also claimed at the homecoming game against the Chesaning Indians, 28-14. While all good things must come to an end, the loss to Nouvel, 28-7, and to Flint Powers, 35-7, did not take away from the boys memorable season. The Falcons proved once again they are a dominate force on the field and had a great season. They broke a school record for consecutive years in qualifying for the playoffs. "From our 8th grade, to our Varsity players we went 29-5. Our young kids are working hard and our graduates have set a tone for what Freeland football will look like in the future," said Head Coach Kevin Townsend.

GOING FOR GOALS

Junior Goalkeeper Ryan Spaulding reaches to save another goal for the falcons.

With 13 wins under their belt, the Falcons headed into the playoff season with confidence. "Once we started playoffs everyone realized that we had a chance at the championship, and with the team consisting of mostly seniors there was a lot of motivation to play each game like it was our last," said Senior Mitchell Droste. Their hard work and determination paid off when, Freeland beat Bullock Creek enabling them to advance to District Finals. During the tough game against Alma, Senior Robert Trahan and Senior Sergan Selek scored securing the District Champs title. "It was the best feeling. We were so close in previous years and now that we won it's a dream come true," said Senior Nick King. In addition to being District Champs, the team was also runner up for Tri-Valley Conference Championship. The team rounded out their season with a total of 15 wins 4 losses and 1 tie. Senior Robby Boyes was also the leading scorer and Junior Ryan Spaulding had over 40 saves as goalie. "Having a winning record and my teammates made my senior season one I'll never forget," said Senior Alex Green.

Melissa Kleinfeld performing during the Senior Night halftime show.

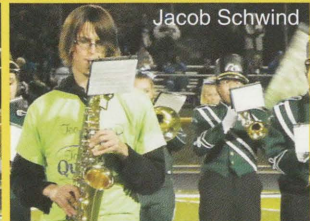

Sixty people, one band, one sound. All cooperating together to create an unforgettable performance, better than ever. For the Freeland High School Band, preparations began in the early summer for the 2012-2013 season. With all the hard work and energy that the members put in every week, they managed, once again, to make every halftime show spectacular. "My favorite memory was when our color guard section performed our flag feature for the first time because we did everything perfectly," said Junior Color Guard Captain Melissa Kleinfeld. Sometimes getting everyone on the same page is hard, since many students are also athletes. Even though many students are athletes and are involved in other sports, they still wish to be a part of the band and contribute. Melissa is one of these many students that participate in two activities during the same season. It takes much dedication, from both the students and Band Director Steve Shaw, to create a show that is both memorable for students and parents alike. This was especially true during Senior night. "Senior night was a fantastic experience!" Senior Jerad Jarros said, "It was definitely the most exciting game of the season." This year the Seniors danced to the tune of Party Rock Anthem by LMFAO. Overall, it was a spectacular performance, as were all the other halftime shows of this season. These students have shown that hard work and dedication really does pay off in the end.

[TVC Title: Round Two]

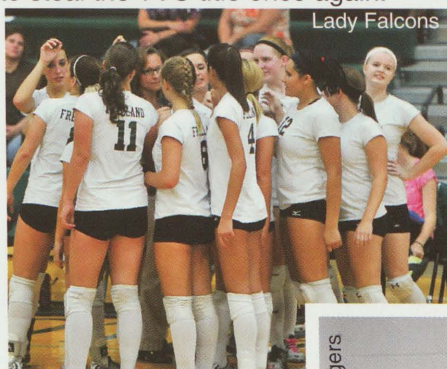

Coming into the 2012 season, the Girls Varsity Volleyball team worked hard to hold the Tri-Valley Conference title for a second year. Midway through the season, Freeland secured their spot in the TVC championships after playing Hemlock in 4 sets on October 10th. The girls won their second consecutive TVC championship after defeating Shepherd in 3 sets on October 24, 2012. The team has held a conference record of 14-0 for the past two years. Before districts, the varsity team held a record of 37-8-3. Freeland defeated Carrolton in their first district game and advanced to the second round of districts against Birch Run. The district final game was against Swan Valley on November 1, 2012. The girls took Swan Valley in only 3 sets (25-17, 25-16, 25-23). The last time that Freeland won a district title was in 2007. The girls ended their season after playing Mt. Morris in 5 sets during the regional game in Croswell-Lexington. The 2012 leaders included Junior Ashley Youngstrom with 121 blocks and 72 aces, Senior Haylee Beythan with 652 assists, and Senior Tori Jankoska with 632 kills and 371 digs. The Varsity team ended their season with a 41-12-3 record and look forward to coming back next year to steal the TVC title once again.

Real Athletes Run Miles Not Yards

Run, run, run! The Boys and Girls Cross Country team had yet another successful year. After much preparation in the off season, their hard work finally paid off. The season was much anticipated by both coaches and runners. The Cross Country program at Freeland High School has a history of success, and the 2012 team wanted to keep that streak alive.

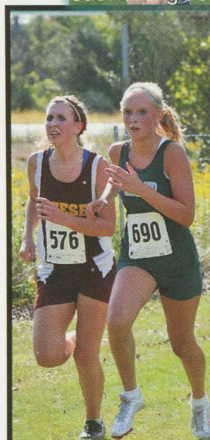

The Girls Cross Country team may be small, but they push through every mile together as a team. They stand united from the start of the race to the finish. "I have enjoyed the new faces. The girls are great and we are all pretty crazy," said Sophomore Cierra Tate. Two girls that stood out this season were Ashley Berry and Morgan Scott who went to the State Finals in Brooklyn, Michigan. Morgan broke her personal career record with a time of 20 minutes and 52 seconds at the State Finals. Overall, the girls had a great season, and intend on keeping the tradition alive for years to come.

The Boys Cross Country team also had a successful 2012 season. The team is unique because many of the members had been teammates since Freshman year. Senior Brent Wegner really wanted to express effects of team unity. The underdog Sophomore Alex Stowell, surprised many with his impressive time at States and place 22nd overall. Stowell broke several school records also. Not only was the individual performance at the State meet outstanding, but the team did phenomenal. They went into States as Regional Champs and walked out with a 5th place finish out of 27 teams. Coach Robinson was very impressed with his team as they had worked hard all season and had achieved so much.

Being a Cross runner does not only require physical strength, but it requires a great amount of mental stability as well. Both teams showed strength, determination, and a drive for success. The runners are looking forward to next season, and will continue their hard work to continue to live up to the legacy of the Freeland High School Cross Country Program.

With all returning members, the Girls' Varsity Golf Team came into this season more hyped up than ever. The girls started off their season with a win against Midland Dow. Just two days later they put up another win against Ithaca. With clear heads and determination the girls won the annual Think Pink golf meet against Chesaning and didn't stop the next day when they defeated Caro. Their winning streak ended when the girls took 3rd place against Traverse City and took 10th at the Flint Powers meet. Kicking it into gear, the girls put up two more wins against Garber and Frankenmuth. Junior Shelby Williams said, "This year we are better, more experienced, and closer than we've ever been before." At this point the team is 25-1 overall and 23-1 in the TVC after their first home meet against Nouvel. Winning their home meet definitely gave the girls the confidence they needed and put up a four meet winning streak against St. Louis, Chesaning, John Glenn, where Senior Tara Padgett got her personal best of 34, and Alma. The girls took 4th place against Midland Dow then came back with another win at the Freeland Jamboree. The girls then traveled to Perry for Regionals, where they took 3rd place and then traveled to Lansing for States, where they took 7th overall. The Girls' Varsity Golf Team ended their season with their 5th TVC title and many personal records.

Boy's JV Soccer

After taking a year off the JV Soccer team came back raring and ready to go. They started the season off strong with a 7-0 win over Clare. Freshman goalie Cam Knochel helped the team maintain their win streak by preventing Bay City Western from scoring; the game ended with Freeland having a 2-0 lead. Good things come in threes, at least for the JV Boys' Soccer, who won their third game in a row against Frankenmuth. Their good fortune continued against Valley Lutheran. Freshman Collin Droste says, "Beating Valley 1-0 because we scored with about seven minutes left in the fumes was my favorite memory from the season."

JV VOLLEYBALL

Through a grueling season the Junior Varsity team made a lasting impression. With an outstanding record, the JV team captured the honor of their school. As a young team, these athletes quickly learned to play as a team to achieve phenomenal success on the court. Some of the best games this season were against Frankenmuth with a score of [insert score], and the Pinconning Quad in which the team got 1st place. "I think we improved a lot. Ending up undefeated in the conference was a huge accomplishment!" says captain Becky Bell. With the help of their coach Janel Flores, the JV team is getting very prepared for the Varsity level. With wins in various games and tournaments, the team did the best they could. "I think we can improve for next year by playing pick up games and practicing hard," says Captain Hannah Foy.

Freshman VOLLEYBALL

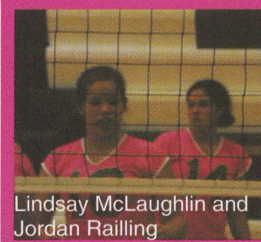

Through an exciting first season for the Girls Freshman Volleyball team, they managed to end their year with an outstanding 5-3 record. This young team learned to play with perseverance, and demonstrated dedication which made it a season to remember. This team spent Saturdays playing in tournaments improving step by step in the sport they love. Every practice they continued to work hard at becoming the best Freshman Volleyball team Freeland has ever seen. Their love for the sport stood the test of time as they perfected their serves, digs, and spikes. Even with the season at its end the girls are already preparing themselves for next year on Junior Varsity. These Freshman claimed every victory and dominated tournaments during their season that are memories to put in the books.

What are three words to describe the 2012 Junior Varsity football season? Successful, exciting, and persistent. The boys of fall have proved their strength and effort throughout the fall season by working hard at practice and demonstrating their drive for excellence during the games. The season highlight was shutting down Freeland's main rival, Swan Valley, 40-0. "We work hard and play hard as a team," said Sophomore Jared Shea. The team persevered through tough games and tougher practices, ending their season with a 9-0 record. The Falcons only allowed the opponents to score fourteen points or less every game. The boys are hoping to carry this experience and skill into their next few years of football.

Being the first team to play on the new turf, the Freshman Football team started their season with nothing but victory. The team had their first shutout against Gladwin, the final score being 35-0. Second week of the season the Falcons had their only loss, they played Ovid-Elsie in a very close game, losing 7-6. Two weeks later, the freshman team played the game of the season vs. Swan Valley, they kept the game well at hand and knocked their Vikings off their boat, the final score was 22-6. On week 8, the team had their second shutout, against Garber it was a blowout of 43-0.

"It was awesome to get another shutout, our defense played great," said Freshman Andrew Sheffield. Wrapping up the season the football family took the field at Nouvel Catholic Central. They played their hearts out and walked away with a win of 32-12. This victory topped off their 8-1 season, the only loss being the one that they missed by a point back in week two.

"We are a unique team. We have a strong bond between our team members and the bond we have with the horses. It helped us really improve this season."

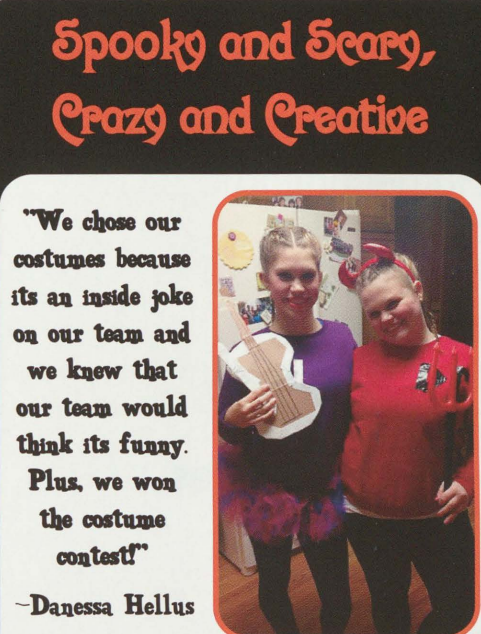

With their season starting in the heat of the summer, the Freeland Varsity Equestrian team and their horses prepared for the successful season ahead. With the first two meets at the Midland County Fairgrounds, the girls felt right at home. "It's nice that we get to practice up in Midland. By the time we have to go there, we are familiar with the arena, and are more prepared," said Junior Sabrina VanKirk. The team then went on to Gladwin, and proved themselves once again by qualifying for districts in the Class B Division. This year the six ladies pushed themselves and their horses towards regionals. With the successful season behind them, the girls look towards next year and hopefully another great season. "Going to regionals was a great accomplishment for the team," said Freshman Bree Dittenber, "It brought us closer and gave us a season to look forward to next year."

Teamwork. "My favorite thing about this team is that all of the team members and everyone come together. We have fun and work hard together."

Break Down and Dance Around Nobleman's 2013

Nobleman's

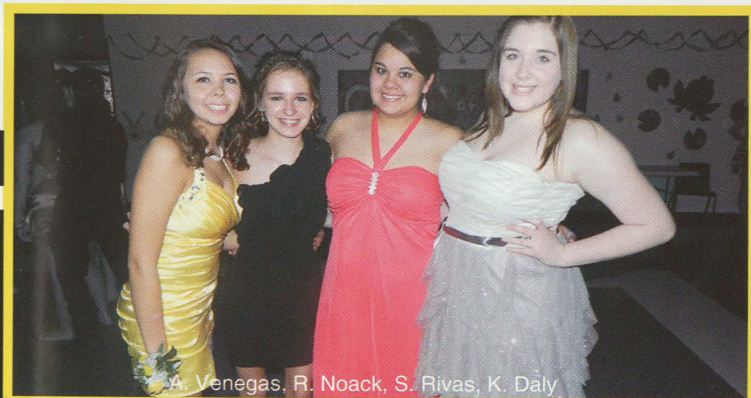

February 18th was the start of a fun-filled spirit week at FHS for the 2012-2013 Nobleman's Dance. Instead of the theme being a usual topic, classes were represented by a select color. Freshman had black, sophomores had red, juniors were given green, and the seniors had blue. Hat Day started off the week, followed by Class Color Day on Tuesday, PJ Day on Wednesday, Opposite Clothing Day on Thursday, and to wrap the week up, Friday was Green and White Day. As Saturday rolled around, the excitement began to grow as girls started their pampering routines and guys made any last minute purchases. Freshman

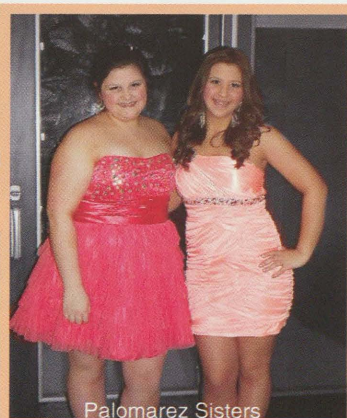

Cameron Kasper said, "Nobleman's is different than Homecoming because it's all about the guys instead of girls. It was crazy and the mosh pit was my favorite part." This year's king title and crown was passed down to Senior Patrick Peck, who got to celebrate with his fellow court members and their escorts when it came time for them to be announced. Overall, the 2012-2013 Nobleman's Dance was a success and students will take away memorable moments they'll always remember.

As the buzzer went off at the conclusion of the first game at Carrolton High School, the Varsity Basketball team had high hopes for the 2012- 2013 season. They beat Carrolton just in time, thanks to senior captain Jake Whitting. However, their high hopes for the season fell short. Despite best efforts, they had a nine game losing streak; seven of those nine were single digit losses.

Going into the second half of the season, the team's hopes fell short after losing their leading scorer, sophomore Jake Jankoska, who was out with an appendix injury. Even though the Falcons were down a key player, they found a way to battle adversity and many of the players stepped up their game.

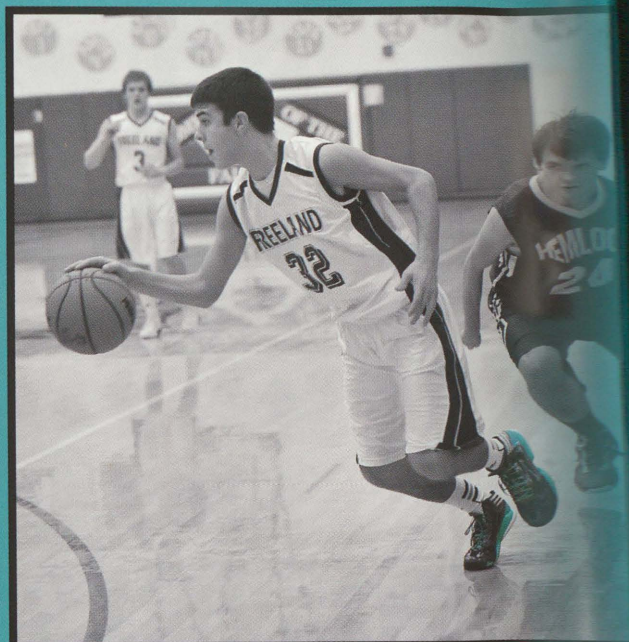

When Jankoska came back, the team saw a glimmer of hope. Every season, teams work during

the year to get that win, they can, "hang their hat on." The Falcons earned two of those victories back to back. They beat longtime rival Bullock Creek, who was tied for first place in the conference, 58 to 45. Following that game, the Falcons beat the Swan Valley Vikings in a heated contest, 73 to 60.

Even though the team did not have the season that they wished they had, it was no disappointment. The team has a lot to look forward to next season with the underclassmen that will be returning, along with new players coming onto the team from the JV and Freshman squad.

The Varsity Girls Basketball team went into this season with high expectations, having been at the Breslin Center last season, competing for the state title. However, the girls started a brand new season and fought hard to keep a 20-1 record. News reporters, Talon writers, yearbook editors, and even eager fans found themselves at every game. These girls were the team to watch. On February 2nd, the lady Falcons traveled to Goodrich for a Saturday game. The girls beat the number one team in the state with a final score of 56-52. Later on, the team played in the Grey game to support the fight against diabetes. The outcome of this game was nothing less than amazing as the girls conquered their rivals Swan Valley. Narrowing down to the final game of the season, the girls beat Birch Run on the first of March, earning them the district title. "Ending our

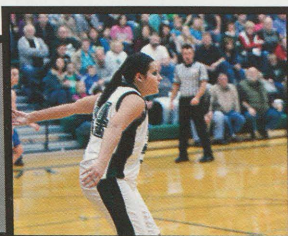

season with the district title is something to be proud of," said senior Tori Jankoska. These ladies fought hard the whole season with the hopes of winning a state title. Unfortunately, the season was cut short at Imlay City where they lost 53 to 61 to Flint Powers. Despite, a less than spectacular ending, the girls had a stellar season fueled by the love of the game, as well as, senior leadership, and ended it together as a as a family.

With a rough start, the Junior Varsity boys basketball team came back with a bang, ending their season with an 11-8 record. Every game was a close one for the team, but relying on teamwork and strength, they managed to pull through as a whole. Throughout the season, the team claimed victories against some of Freeland's biggest rivals and left fans on the edge of their seats. Some of these opponents included; Nouvel, Hemlock, and Bullock Creek. Many games were nail biters, particularly the game against Bullock Creek, which ended with a score of 47-45. "The game was full of intensity and it was a huge lift off our shoulders when that buzzer went off," said Sophomore Josh Beltz. Every player showed how tough they worked at every practice and every ounce of their dedication went out on that court with the team. With committed work and perseverance, the Falcons had a successful season of basketball.

The Freshman boys basketball team did not fall far behind, with an overall 10-8 record for the 2012-2013 season. These boys came into their first year of high school basketball ready to play the game and prove what they had in store for the other teams. They earned many victories together on the court, but the most memorable game from the season was most likely the defeat against one of Freeland's biggest rival's, Swan Valley. The Falcons came through and won with a score of 39-37, gaining a notable win. They used that mindset to win the last two games of the season, and ending with the feeling of achievement. With this success, these boys have a bright future of basketball ahead of them.

More Than Just A Pastime

Living in the shadows of the famous Freeland final four Varsity Basketball team, the girl's Junior Varsity Basketball team knew from the beginning that they had a legacy to live up to. Not only did they prove themselves in their 2012-2013 season, but they also showed Freeland that there will be many more years filled with amazing basketball to come. After all, it takes a lot of hard work and determination to defeat teams such as Nouvel, Ovid-Elsie, and Valley Lutheran.

Hitting the court every day to perfect drills and passes was definitely worth the effort in the end. With a perfect 19-0 season, the team showed just what a force it was. "The best part of basketball is working so hard at practice and then winning a close game and knowing that's what we worked for all season," remarked Sophomore Tori Argyle. From the very start, the team faced many rivals, and managed to come out on top. Keeping a perfect record is no easy task; neither is living up to the standards of the Varsity team. The JV players proved that they were ready to take over, and would not let anything stand in the way of success. With a bright future ahead of them, the girls continue to hit the court and practice in preparation for the upcoming years. With such a good season behind them, the team has nothing to worry about when it comes to the future of Freeland basketball.

GRAPPLE UP

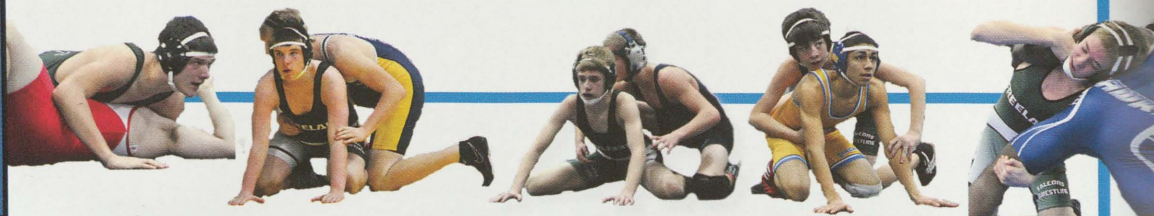

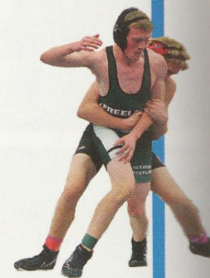

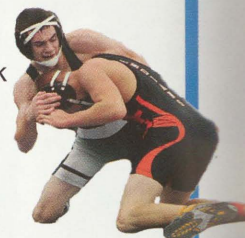

VARSITY WRESTLING

At the Hemlock Individual Tournament, the Falcons sent thirteen wrestlers and came back with twelve receiving medals. The four following wrestlers placed first: Juniors Josh Schlack, Charlie Ferens, and Cavin Compton, and Senior Glenn Fitkin. When the Falcons went to the county tournament, eleven wrestlers, including some JV, placed. During the season, Ferens and Schlack each won their one hundredth match. Fitkin was able to reach his goal of 150 career wins. Schlack also had a perfect regular season with a record of 50-0.

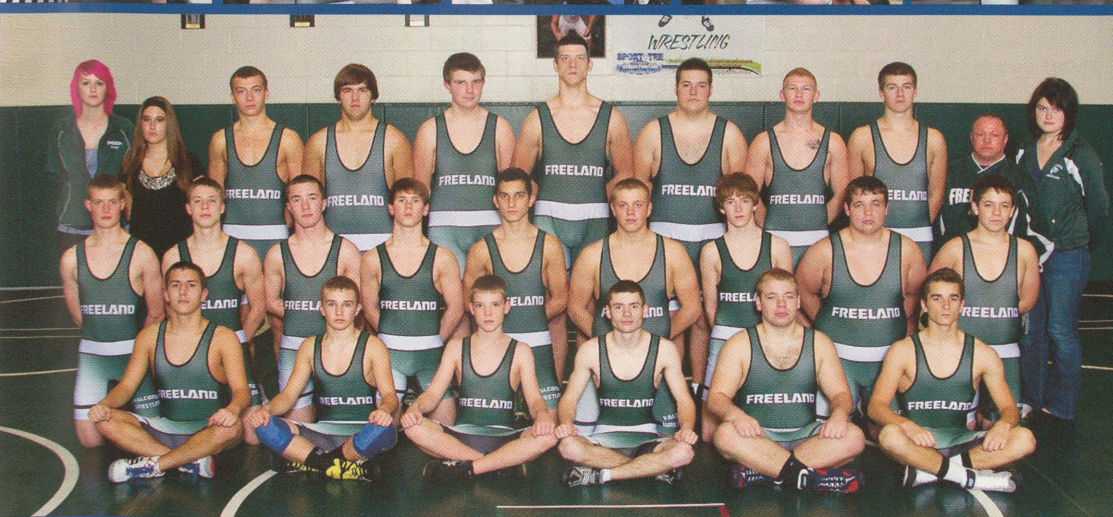

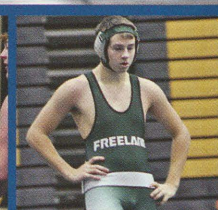

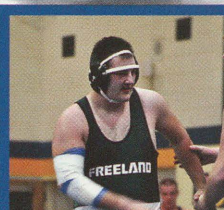

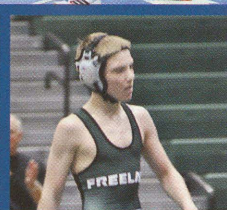

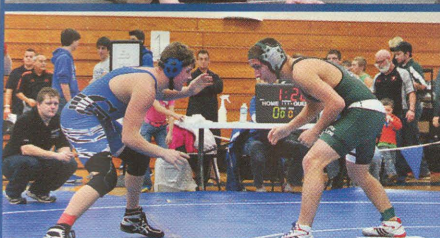

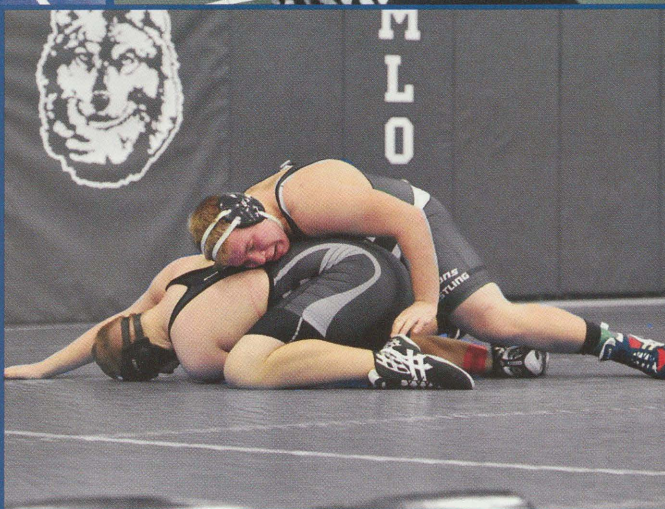

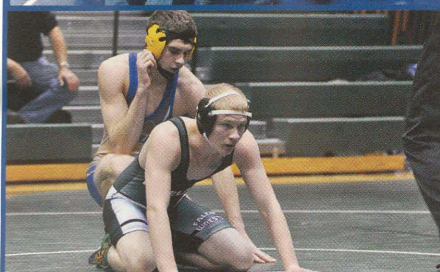

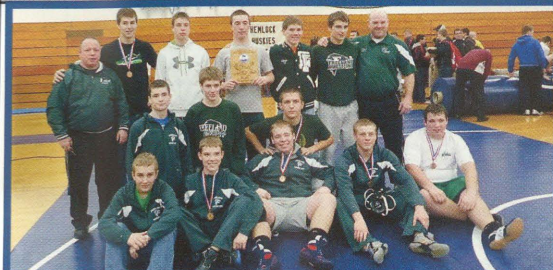

After four long years, the wrestling team captured the division 3 district title. This title was not an easy win because they had to battle Bullock Creek in the first round. Later advancing to the second round the Falcons had to face Pinconning and dominated with a record of 63-18. Unfortunately, their road to a state title was cut short in the first round of regionals when they lost to Mason County Central. The team finished their season with a 29-7 record, only one win short to tie Freeland's all time record.

Even though the season was over for the team, the Falcons still worked hard because six individuals moved on individually from districts to regionals. These included Freshmen Adian VanLoo and Kolton Radaz, Juniors Charles Ferens and Josh Schlack, and Seniors Brady Hedlund and Glenn Fitkin. After the tough battle at regionals, Radaz, Ferens, Schlack, Hedlund, and Fitkin had the opportunity to move on to states. When it was all said and done Fitkin was the only Freeland wrestler to place at States, came home with a 5th place win.

As soon as the first snowflake falls, athletes know it's time for winter sports. Hockey players all over the area were lacing up their skates and preparing for another season. One team in particular though, was going to be skating off to not only a brand new season, but a completely different team. During last year's season, the Freeland Carrolton-Grizzlies managed to win only one game. There needed to be a change. The talent from Freeland was there, but the team felt that there was something missing. It wasn't until athletic director, Jeff Bell, decided to co-op with the Nouvel and Valley

Lutheran hockey programs. This so called "super team" would be named the FNV (Freeland-Nouvel-Valley) Griffins. The excitement level rose amongst the players. With the new combined team, the Griffins were stacked with elite players from the three schools. One of these players included the states leading scorer, senior Josh Koeplinger. Freshmen goalie, Brandon Hausebeck, was also expected to be a key player. The Griffins came out with a bang, winning their first eight games in a row. It didn't take long for them to make their mark in the league as a hard hitting, fast team who could quickly net three goals in one shift. FNV later traveled to Grand Rapids for the Unity Knight Holiday Tournament where they played flawlessly and won the championship. Though there were a few losses along the way, the Griffins fought hard to maintain a winning season. Unfortunately, the Griffins were unable to make a run in the playoffs and lost to the Mt. Pleasant Oilers with a final score of 7-3. Although their season was cut short, the FNV Griffins were one of the top teams in the league and gave fans something to remember and look forward to next year.

Austin Popour

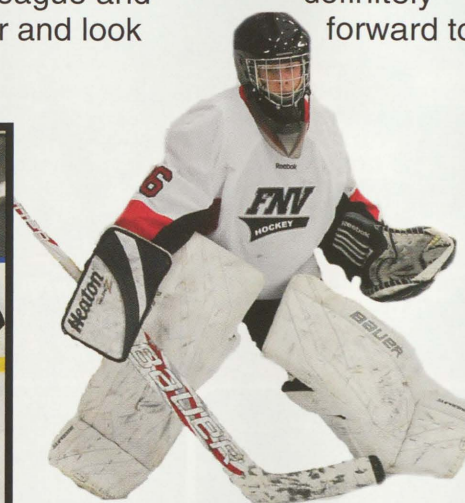

"I was very excited when I found out we would be a combined team. I knew we would be a top team as soon as I heard the news and in the end I was right."

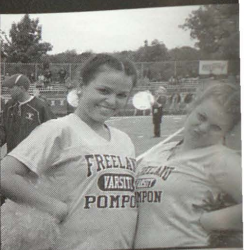

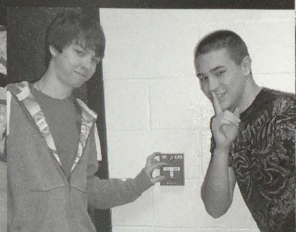

Brandon Hausebeck

"This season has really taught me a lot as freshmen. I got to meet new people and find myself as a player. I'm glad I can really build off this season into my next three years here."

The Freeland-Swan Valley gymnastics team flipped through the season with nothing but high scores and a close bond. Leading the team were senior captains Jazmyne Jezowski and Swan Valley's Karry Modolo. The team took third place and brought home a trophy at the Kenowa Hills Invite on January 26th. Jezowski was the floor champion with a score of 9.325 and Kayli Redburn placed 9th in the All-Around. On February 2nd, they competed in the Canton Invite and placed in the top ten. Jezowski placed 2nd on the floor exercise and 5th on beam. On February 16th, the team hosted senior night and won by a near 20 points. Jezowski placed 1st place on floor, 2nd place on all-around, vault, and beam the lead on to take 3rd place on bars. Redburn placed 1st on vault and Melanie Padgett brought home a fourth place medal on floor with a personal best of 9.25. Two weeks later, the team traveled to Regionals held at Mason High School. The girls took 2nd place qualifying them for the state meet for the fourth consecutive year in a row. Padgett took 4th place on floor, with Swan Valleys' Megan Stein taking 3rd and taking 1st place was Jezowski. Redburn posted a score of 9.2 winning her first place along with teammate Modolo. Jezowski and Modolo then led on to take 5th and 1st place in the all-around rankings. The following week was the State Meet hosted by Canton. The girls placed 8th out of 13 teams, and were the only class B team to even qualify. At the individual competition on March 9th, seniors Jezowski and Modolo placed in the top 10 on two events each, making them each All-State athletes.

The Road To Victory

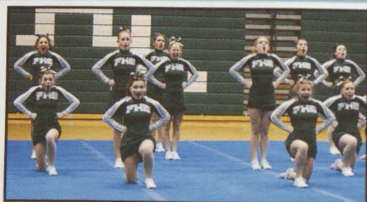

Lexi Weersma '16 shows her holiday sprite performing a Christmas routine.

The 2012-2013 varsity pom team, led by senior captain Danessa Hellus, junior captain Haley Gilbert, and sophomore Nicole Lelo, began their long road to victory last spring in preparation for the 2012 summer camp. With several new girls on the team, Coach Jenny Kuster worked with the girls to whip them into shape before pom camp. Their hard work and dedication paid off when they took place in originality at camp. The girls continued to practice through the fall pumping out stellar performance under the Friday night lights. Soon after football season commenced, their focus turned to their ultimate goal, winning the state championship. The team got one step closer when advancing to states for the 13th consecutive year at the annual regional competition. On February 9th, the girls made the trek down to Ypsilanti the day before the state competition. Finally, it was time to hit the floor, nerves faded away when the announcer called, "Now performing, Freeland Varsity Pom Pon team from Freeland, MI." After a long day they huddled in a circle with fingers crossed waiting to hear their rank. Then with tears of joy in their eyes the girls jumped up after hearing they were the 2012-2013 STATE CHAMPS. 57

"I love my team because they are more than teammates, they are family. I love each and everyone of them and I can't imagine cheering without them on the mats."

Freeland cheer had no problem getting the season started this year with a team composed of 18 dedicated athletes. With 15 returners and 3 new athletes the cheer team was ready to prove a point to all the disbelievers. Armed with talent and the willingness to succeed, the Lady Falcons stated off the season at Ovid Elsie high school for an invitational. There the girls took their first 1st place of the season. With many injuries this season, the team battled with those who were capable to go out and perform the way coach Rachel Hauk had in mind. "I love round 3; our team is great at stunting so round three is always very

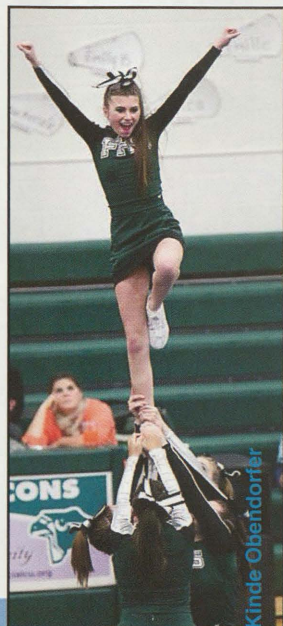

exciting," said coach Rachel Hauk. This year the girls had the opportunity to host a TVC meet. Being able to compete in their home gym was a first for the cheering Lady Falcons. "The home meet was my favorite meet; there was so much energy and we owned the floor," said sophomore Tiffanie Gould. The team scored a season high score of 702.42 at their home meet. This was the moment that the young

team had been waiting for all season. The girls' highest round 1 score for the season was 216, the highest round

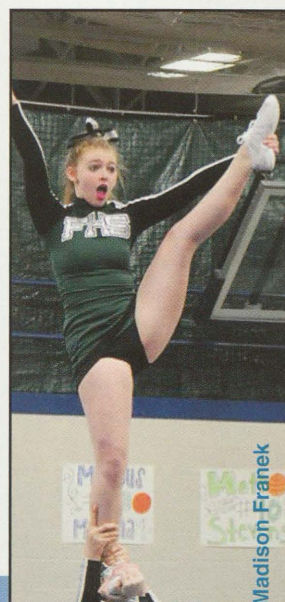

2 score for the season was 194.62 and the highest round 3 score was 302.3. The team placed 5th and ended with a season to be proud of, when they traveled to Houghton Lake for districts. "The hotel for districts weekend was defiantly my favorite part of this season. It made me realize how much we all love each other. We all talked in a room together, reading letters we wrote, laughing and crying. It was such a memorable moment." Said Junior Erica Krause.

On the first Saturday in December, the boys and girls Varsity Bowling teams traveled to Candlelite Lanes for their first match of the season. Both boys and girls finished the day with wins over Ovid-Else and North Branch. Traveling back home to State Lanes, the day ended with two more wins for the boys, who defeated Caro 25-5 and Shepherd 28-8. With three weekends in between the next home meet, the teams went to work. The Lady Falcons brought home wins against St. Charles 24-6 and Valley Lutheran 20-10. The boys fought hard as well, bringing home wins against rivals such as Swan Valley, Valley Lutheran, and Hemlock. Back at home, both teams faced Swan Valley and Carrollton. Finishing on top once again, the boys defeated Swan Valley 24-6 and Carrollton 28-2. The girls managed to pull a win for the day against Carrollton with a final score of 22-8. At TVCs the boys and girls bowled against tough competition. The boys took first place and the senior pair took home first and second team all-conference awards. Representing the the Lady Falcons were Senior Emily Miller, who was awarded second team all-conference, and Junior Kayla Lagalo who was awarded with first team all-conference. With TVCs behind them, the teams traveled to Cherry Hill Lanes for the regional tournament. The boys didn't miss a step and continued on their roll, finishing the day with their first regional title and a pin total of 4,024. The following day at individuals, Junior Kayla Lagalo finished in eighth place with a pin total of 1,067 and Senior Mark Gibson placed ninth with a pin total of 1,215. At the state tournament, the Falcon bowlers stayed strong and finished their season with eighth place. Gibson went onto individuals, rolling a 1,145 in the qualifying block and made it to the sixteenth round.

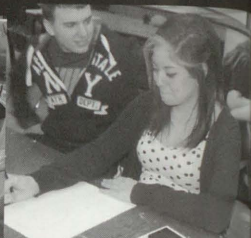

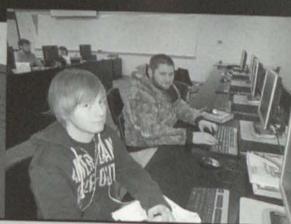

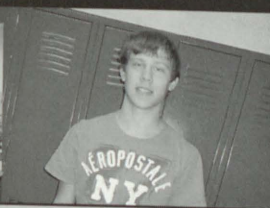

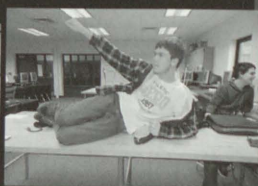

"I love being on the team! It was fun to hang out and meet new friends who share my love of bowling."
-Robin McNally

National Honor Society Giving Back!

Scholarship, character, leadership, and service are the four core values that the National Honor Society upholds. This year, the Donald R. Fox Chapter of the National Honor Society inducted 26 new members. These students were chosen to be a part of this nationally recognized organization because of their commitment to the school and to their community. This year, the NHS was involved in many unique volunteer and service projects such as the winter and spring Special Olympics, Adopt-a-Family and academic services. A new development this year is the NHS involvement in the Habitat for Humanity projects. Ten students have volunteered to be involved in this worthy cause. Being involved in NHS comes with many responsibilities. First year members commit to volunteering at least thirty hours of their time to volunteering. Second year members must complete an additional fifty hours of service. While completing the required service work, students are required to maintain a GPA above a 3.5. The 2012-2013 National Honor Society, advised by teacher Mr. Matthew Forsberg welcomed new senior officers including, President: Eric Sheffield, Vice President: Rachel Kloc, and Secretary: Samantha Schmidt. This year's NHS is a group of standout individuals who continually give back to the community and promote positivity.

Writing in the News!

What's black, white, read all over and twenty years old? The Talon! This year, the Talon celebrated its twentieth season in publishing. This was a milestone for the class, that has undergone many changes this past year. The staff welcomed not only a new adviser, Ms. Kyla Krygier, but also eight new staff members. The 2012-2013 editors-in-chief are Seniors Brendan Farley and Kimberly Sampson. Juniors Jeremy Flood and Macey Miller were promoted to Assistant Editor-in-Chief. While the staff faced many challenges, they rose to the occasion, "Coming into the school year, the staff wasn't sure what to expect. It was a definite adjustment and there were, without a doubt, struggles along the way. However, there have been countless students, underclassmen and upperclassmen, that rose to the challenge. The Talon came out stronger as a result," said Senior Samantha Schmidt. After countless hours spent writing, designing, photographing, and editing, the Talon staff has once again captured the history of our Freeland Schools and community.

THE BOYS OF SUMMER

VARSITY BASEBALL

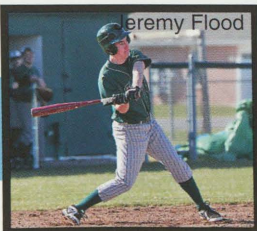

As spring approaches it typically mean one thing for many people. This is the season of American's favorite past time. The Freeland Varsity Baseball Team had high hopes for the 2013 season. Unfortunately, these hopes were delayed due to frequent torrential downpours. After many delays, the team finally hit the field. The highlight of the team's season was winning the Birch Run tournament. The team got off to a bumpy start at first losing the first game against Bridgeport 2-4. After that the team picked a speed gaining a huge win against Lapeer West with a score of 8-3. The team advanced to the championship game against Birch Run. The third and final game was a nail bitter, but Freeland pulled through winning the game and the tournament 10-9. Freeland's Special Education teacher, Mitchell Wheatcraft was the new coach that led the team to victory. "This year was definitely a great experience for me because this job was very different from my other eight years of coaching in Arizona. Working around the inclement weather and coaching at a smaller school took some adjusting," said Whearcraft. "Overall, the experience was rewarding this year due to the attitudes and commitment of the players and coaches throughout the season."

Coming into the season, the Freeland Varsity Girls Softball team had high expectations. Last season, the girls struggled to meet their full potential. However, throughout the summer the girls played together and won several tournaments. They proved to themselves that they were good, and with hard work and dedication they could do anything. Using last year as a motivator, the team stepped up to the plate, literally and figuratively. Their record reached 17-9.

Off to a shaky start, the girls lost both games to Millington. This losing streak was not going to replay, so they stepped up next game and mercied Ovid-Else. With a few wins under their belt, the team was confident and hungry for more. The girls continued their winning streak defeating teams like Alma, Chesaning, Shepard, and many more. Their hard work was finally paying off, and it shined throughout their performances. The team was close to winning All Conference Champs, but that slipped away in a one run loss to Swan Valley.

Throughout the season there were many memorable moments. The team could always count on Janna Brown at shortstop making ESPN worthy plays. Some highlights throughout the season were: Chelsea Niedzwiecki hitting a home run to beat Shepard, Ashley Youngstrom cranking a grand slam over the fence against Alma, and the team defeating Swan Valley for the first time in a while.

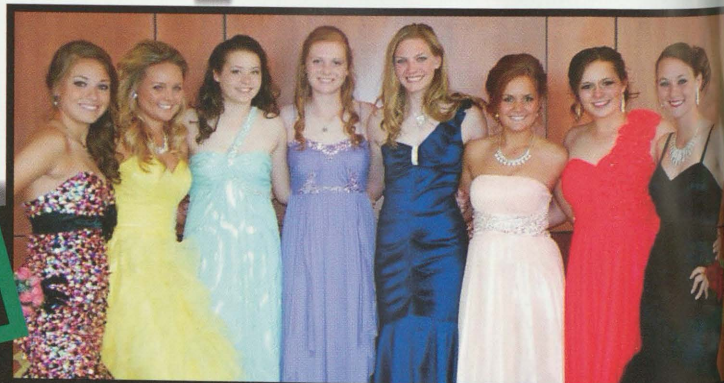

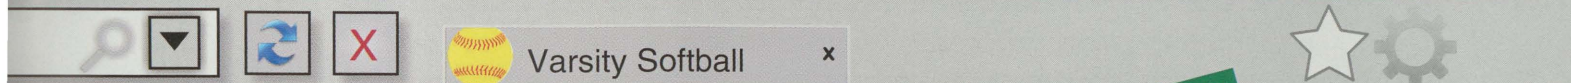

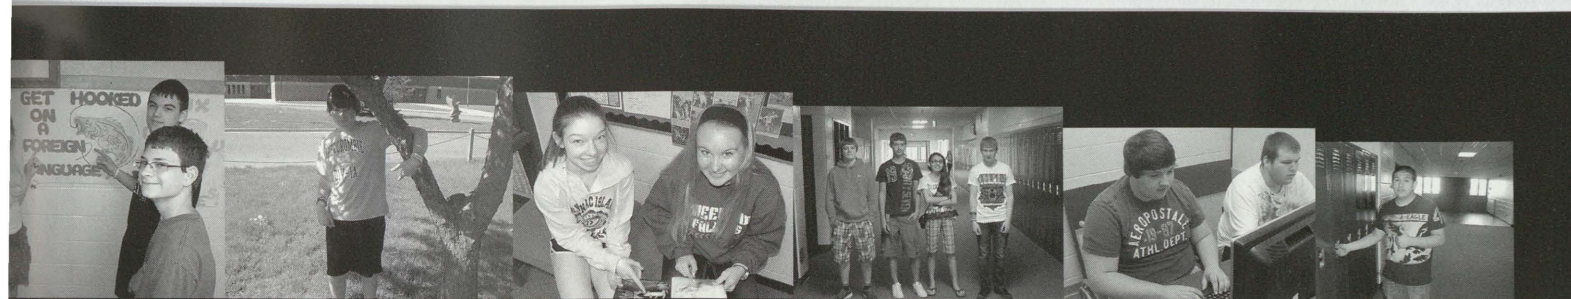

"We have done better than a lot of people expected. This year I feel like we have all come together as a family and really have showed how great of a team we are. We are now ranked in the state, and beat Swan Valley."

"I'm really proud of the way our team came together this season. I feel like we know each other on a whole other level than just softball, and that's what made us successful. We won this year because we played for each other, not as individuals. We had the intensity that was needed to help us win, and everyone contributed to our overall success both on and off the field."

Sprinting To The Finish

Boys and Girls Varsity Track

Track season is a fresh start to the year for some athletes, while for others, it is their last chance to leave their mark on their high school. The boy's and girl's track teams both had a phenomenal year. Both teams had a great mix of returning veterans and first year athletes.

For the girls, this year was a rebuilding year with only a handful of seniors left on their roster. Despite the amount of newcomers to the team, the talent from the previous year had grown tremendously. Senior Captain Taylor Spitz had set three new personal records after missing a season to a torn ACL. This year, the team did not fall short of any hopes. They ended up sending two girls to the state finals; Junior Victoria Herzburg in long jump and Senior Captain Molly Daly in the discus. Senior Captain commented, "I love track season because you get to test your skills in many different events." The girls finished their year third overall in the Tri-Valley Conference.

The boys had very few let downs. They had broken four school records throughout the season. After the boys moved up a division from the prior year they had all intentions to be back to back regional champions, however after falling short they fought hard to become TVC Champions in Alma. The boys team sent four athletes to the state finals in three events. Seniors Mitch Noack, Matt Schauman, Jake Whitting, and Junior Kyle Guster went for the 800m relay. Whitting also went in the 110m hurdles while Noack went in the pole vault. The relay team ended up finishing 7th place giving the athletes All State Honorable Mention.

The Freeland Girls Varsity Soccer team started the season off stronger than ever. With only losing 2 seniors last year the girls were all use to playing with each other. This year the girls were led by senior captains

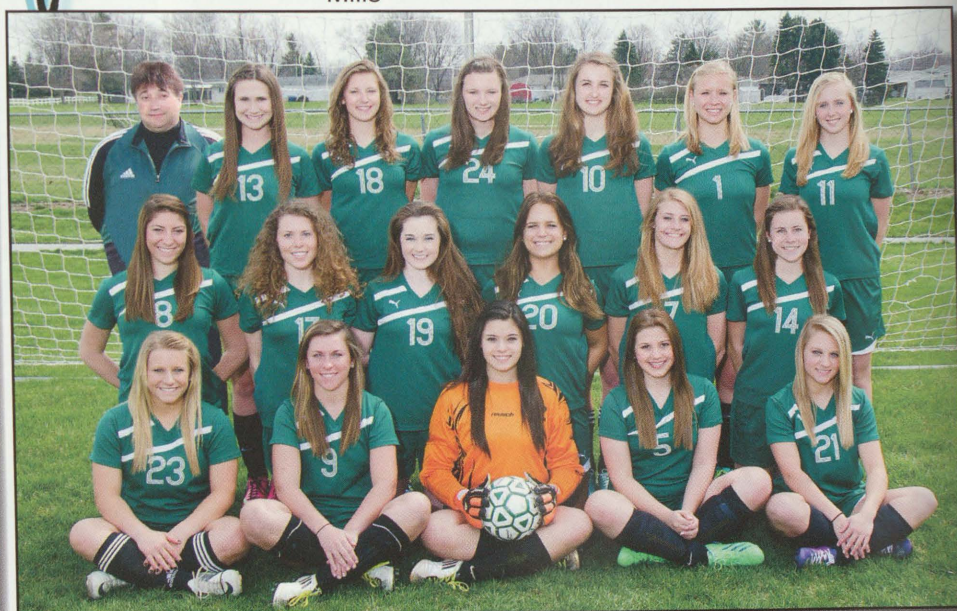

Tara Padgett and Darby McCracken and junior captain Kelsey Ropp. "I love being captian because i know my teammates look up to me" said

McCracken. With this trio of captains the girls had the ambition needed to finish their season strong at home agaist

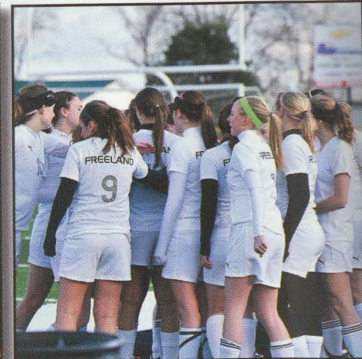

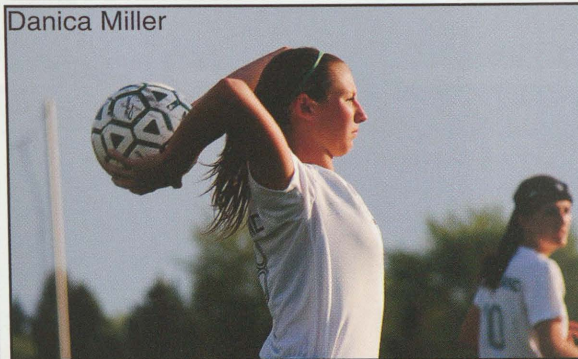

Lake Fenton for a semi final regional game, where they lost, 3-1. Throughout the season the lady falcons merced the team from Carrolton twice with a score of 10-0 both games. Tara

Padgett broke the school scoring record the second game of the season against Bullock Creek, the school record was 78 at the time, she scored 101 goals in her high school career. To show how hard the girls worked this season, the team pulled out another conference title making them 5 time Tri Valley Conference champions.

Heading into the new season, senior captains Raul Venegas, JC Wegner, and Jaden Riffel, all four-year varsity members, had high hopes for their team. "As a captain, I want to see my entire team make it to regionals and do well," stated Wegner. This year, the team consisted of seniors Venegas, Wegner, Riffel, Conor Pollard, and Mitch Whitting, sophomore Michael Schatzley, and Freshmen Ben Balen and Spencer Kloc. Because of the cold and snowy weather, many practices and matches were cancelled and resulted in a postponed season. The first match was held at their home course at Twin Oaks. Venegas lead the team with a 40 and was followed by Whitting with a 41. Freeland finished only 13 strokes behind TVC leader, Alma. The team finished third in the TVC Central Jamboree at Ovid Elsie, fourth at the Alma Jamboree, second at the Swan Valley invite with a team score of 171, second at the Shepherd Jamboree, and fourth at Midland Bullock Creek Jamboree. During the Saginaw County championships that were held at Swan Valley's home course, Venegas, Balen, and Kloc all shot an 85 on 18 holes. The team finished with a score of 348 and placed 5th out of 11 teams. At the Hemlock Jamboree, Freeland finished with a 165, only nine strokes behind Alma. The boys then moved on to Chesaning and Venegas lead the team with a 42 and received 1st Team All-Conference. Balen walked away with 2nd Team All-Conference and Schatzley with Honorable Mention. On May 30, the Division 3 Districts were held at Maple Leaf Golf Course. Venegas, Pollard, Wegner, Kloc, and Balen qualified as a team for regionals held in Perry. Venegas lead with an 83, Balen with a 90, Wegner with a 94, Pollard with a 95, Kloc with a 98. The team finished 8th of 12. With five spots opening up for next year, there's a lot to live up to.

"I am so grateful I got to be apart of such an awesome team. We really grew through-out the whole season and became a big family."

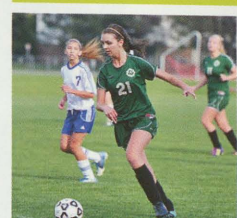

-Megan Schmidt

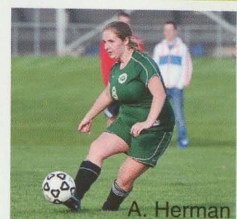

"We are a soccer family that has each other's backs."

-Becky Bell

Starting off the season strong, the 2013 Junior Varsity Girls soccer team consisted of sixteen girls. There were six freshman, eight sophomores, and only two juniors. They reached an outstanding record. Looking back on their highlights, sophomore captain Becky Bell said, "Our team worked hard and really came together as a family." Preparing themselves for their future Varsity careers at Freeland, these lady falcons fought together and finished the season not only as a team, but as a close-knit family. These sixteen girls have a lot to live up to in the years ahead, such as Conference and District titles, and especially in the eyes of the highly supportive Freeland Community.

The Junior Varsity team had a successful year with a record of 7-12. The girls grew

as a team, and improved greatly. Throughout the year the girls had some struggles, but somehow persevered. They worked hard and showed determination with every play.

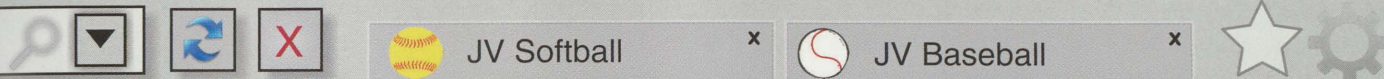

The team faced several difficulties throughout the season, one being the few players available to play. Some girls became injured or suffered from medical problems, leaving the team with a limiting amount of players. They also faced the task of having to replace one of their pitchers, Freshman Arriana Keel, due to her getting pulled up. Somehow the girls seemed to pull it together and continue their season after maneuvering through all of their obstacles. "Although the season did not turn out the way we planned on, we had fun games and grew close to one another." by Sophomore A. Middlebrook.

Despite the season started off more difficult than ever, the team found a way to have a memorable year. During the duration of the year, the JV Baseball team worked hard to have a record of 11-11-1. Many of they athletes were, "happy to finally get outside and play ball with my team," stated Freshman catcher Dalton Reimus.

The JV team had a ballanced attack on the defensive side of the ball with two ace pitchers, Ben Rybicki and Joe Rybicki. During a game against Ovid Elsie, B. Rybicki threw his first no-hitter of his high school career. Also the Rybicki twins were phenominal on the offensive side of the ball; also D. Reimus helped out with one homerun on the year.

All of the JV players grew as athletes. They got better with their offensive and defensive skills from the help of their always memorable coach Matt Hensler.

Behind
the
Scenes

This year Freeland Drama Club presented the play "Arsenic and Old Lace". After many years of performing musicals this year's cast decided to change it up. Ms. Crish the play director, made the decision to switch up the type of performance because of the cast's skill set. The slapstick humor and obvious irony made the production a joy to watch. The two elderly aunts played by Senior Sarah Nagel and Senior Samantha Schmidt, took it upon themselves to aid elderly men to a peaceful death. While this may seem morbid, their acts were comical because of they lacked understanding of their foul behavior. Throw in a couple of eccentric brothers; one who whole heartedly believes he is Teddy Roosevelt, and the other, a murder who under goes plastic surgery to keep his identity secret. The crazy characters create a comical performance for all members of the audience. This carefree play didn't come about without any bumps in the road though. With a limited number of female parts and a limited number of males, many of the girls auditioning received male parts. "This was my first time performing with the FHS drama club, even though I played the male part of Lieutenant Roonie I still had a lot of fun," said Freshman Olivia McKeith. In addition, a few weeks before opening night the male lead dropped out of the play. Thankfully Ms. Crish's son, Mickie, graciously stepped in to cover the role. The cast over came all the glitches and opening night went off without a hitch.

Mackinaw Island Conference

Leadership, commitment, and dedication, are just a few of the qualities Freeland High School's Students Leading Students group members possess. This year, SLS members showed their dedication and commitment by putting on several events and scheduling awareness months to inform students of important issues.

When SLS members were not working to improve the school, they were working to contribute back to the community. Students participated in Saginaw County's Make a Difference Day and Spring Into Service. Individuals that attended these events gave back to the community by working to clean up various locations in Saginaw. They learned the importance of helping others and cleaning up the community.

Earlier this year, six members attended an annual Students Leading Students conference at Mackinaw Island. These students were able to meet SLS members from different schools and bring great ideas back to FHS. "Going to conference was a great experience. I loved meeting new people and making memories with my friends" said Senior Katie Wilson. "Plus going to Mackinaw Island made it a blast!"

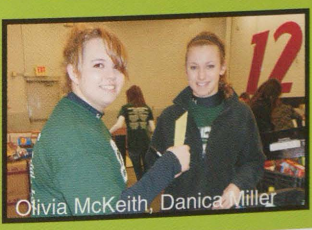

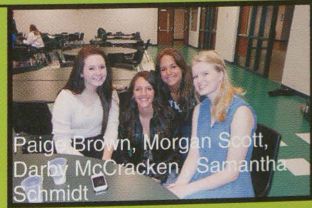

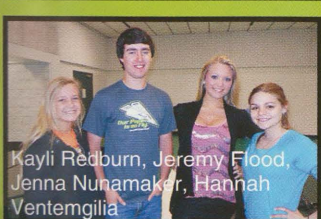

Students Leading Students

Student Council

This year, 29 hard working students were elected into positions on student council. These individuals worked together all year long to make our school and the community a better place. One of the most important jobs given to student council members is to plan and organize dances and spirit weeks. "My favorite part was watching everything come together" said Sophomore Becky Bell. "I love coming in early with my council before dances and decoration in the morning. At the dance, it's great to see all our hard work pay off."

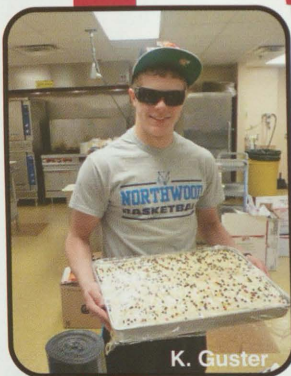

In addition to organizing school-wide events, members took the time to give back to those in need. Before Christmas break, students took their annual Toys For Tots field trip. "I really enjoyed the Toys For Tots field trip; my favorite part, by far, was seeing the family's faces when we handed them their toys" said Senior Paige Brown. "They had so much happiness." After yet another successful year, members said goodbye to the seniors, but even though the end of the year means losing seniors, the council celebrated one last time at the end of the year with a pizza party. The council will continue its tradition of excellence as the Juniors step into the role of Seniors.

During the Walleye Festival the quiet little town of Freeland becomes the best place to be. This proved to be no different for this 2013 celebration. This year marked the 28th anniversary of the Walleye Festival, and the community continued with the tradition with pride.

April 26th was the event kick off for the weekend. Neighborhoods and streets were packed with eager garage sale goers, the fish fry was fired up, and the parade and carnival proved to be exciting for the entire community. "I had a great time with my family and friends and I also went a found some great deals at the garage sales." said Tori Argyle.

April 27th and 28th marked the final events of the fun-filled weekend. The fishing tournament, car show and 5k run are held throughout the day. "I had a very good time, the show grows every year and it becomes more eclectic. I always like seeing the old classics along with what the newcomers bring." said. Nathan Yax

This year's festival can be marked as another successful event festival that will surely go down in the history book.

This year, the Junior class student council came up with the unique theme of "Forever for Tonight" for the 2013 Junior-Senior Prom. With a night filled with stars and lights, the memories are sure to live on. This year the dance took place at Curtis Hall on the SVSU campus. After a day of pampering, the students started arriving at the hall between 6:15 and 6:45 pm before dinner started at 7:00. Starting the dance off with a slow song, the students danced up until 10:30 when the crowing began. This year's prince and princess were Juniors Jeremy Flood and Macey Miller. When asked about being named this year's Princess Macey Miller said, "I was really honored to be voted prom princess. It made all the more special that Brendan, Jeremy, and Sam were on prom court as well." After missing his chance of being prince last year, Senior Brendan Farley took the king crown along with the queen, Senior Samantha Schmidt. After the dance ended, students headed to the Sportszone for after-prom, where students played games in order to get the chance of winning prizes. Along with games students could take pictures in a photo booth, do flips in the gymnastics area, and karaoke with their classmates. At 4:30 am, the students ended their night and gained memories with people they will never forget.

Take Me To The Ocean

They say that April showers bring May flowers, and boy, did we get those showers! With spring break around the corner, the students were very anxious and excited to be in warm weather and sunny skies. Traditionally at Freeland, seniors partake in the annual "senior trip". These vacations are a chance for students to spend one last trip all together. There were a few different spots this year that the seniors decided to hit including Jamaica, Mexico, and Florida. They came back with some awesome stories to share and memories that will last forever. Even the students who stayed back here in the small town of Freeland had a nice break from all of the homework and those dreadful early mornings. Who doesn't love a long break from school? Though the break seems to slip by as quickly as it came, time off and away is always enjoyable. We all have that countdown until the next spring break, and will continue to look forward to another sun-filled vacation. But for now students can look forward to summer of 2013.

Who was someone you could not survive high school without?

There is no way I would have survived high school without my partner in crime Mitchell Whitting. We have been through everything the past years and I don't know what I will do without him next year. We're bad boys for life.

4.061

Advice to Peers:

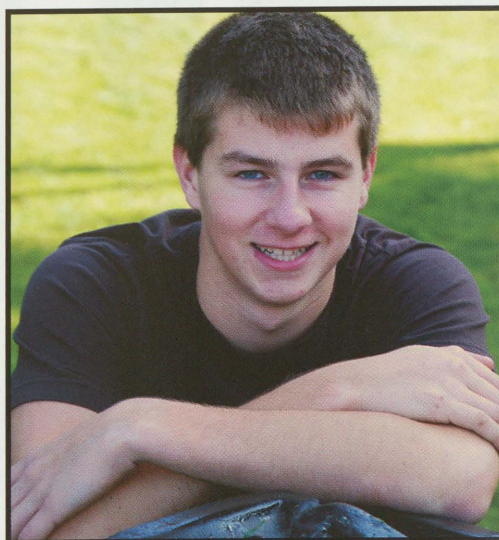

Do what makes you happy
because you're the one who has to
live with these choices. Regrets
are useless.

1 Rachel Kloc
4.061

Advice to Peers:

Enjoy high school! I never believed people when they said it would fly by. Looking back, I can see how fast it really did go, so get involved with all that you can, while you can. Don't forget to laugh at yourself and remember to always keep a smile on your face and a good attitude towards life, because that's when you'll make the memories that will last a lifetime. Strive to achieve and succeed and don't ever let a bit goal scare you into not reaching it. Believe in yourself and know that you really CAN do anything you set your mind to.

6 Nathan Ackerman
4.016

Advice to Peers:

Experience everything you can
because you will regret what you
didn't do far more than what you
have.

7 Wyatt Eschenbacher
4.014

Advice to Peers:

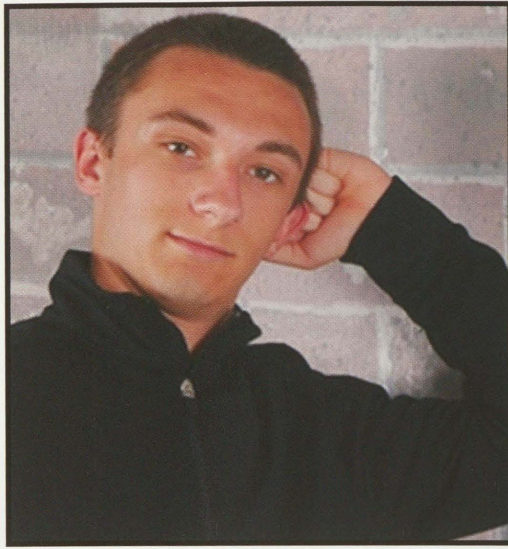

Live life to the fullest. Be
Responsible. Take necessary
risks and conquer the un-
conquerable, or at least try!!!

3 Paige Brunner
4.045

Advice to Peers:

Enjoy every second of your high school years because they are gone before you know it. Work hard, follow your passions, and don't let anything stand in the way of your dreams.

4 Mark Gilson
4.035

Advice to Peers:

Work hard, but play harder!

5 Samantha Schmitt
4.022

Advice to Peers:

Life doesn't owe you anything. It is up to you to wake up each day and every day and work towards what is deepest in your heart, and to enjoy every step of the journey rather than wishing you were already where you'd end up. Laugh through the small stuff, forgive them even if they aren't sorry, and never forget that everything has a purpose.

7 Tim Felt
4.014

Advice to Peers:

If you don't like where you are, don't be there.

7 Kimberly Sampson
4.014

Advice to Peers:

Get involved. Be openminded. Meet new people. Make plans but realize life will happen in between

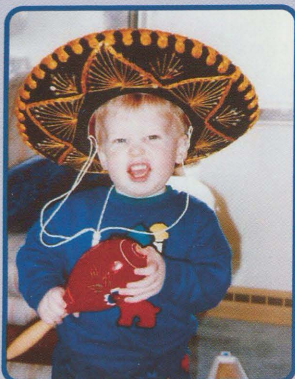

10 Amanda McKeith
4.012

Advice to Peers:

Live the life that you wish to live. Find something you are passionate about and work hard to achieve your goals. Live a life of "remember whens" not "what ifs".

Aaron Townley

Aaron,
Your hard work and dedication
has paid off. We are so proud of
you. God has a plan for you to
do great things. Cherish the

Senior Dedications

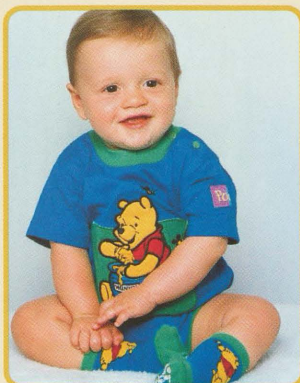

Nicholas Sparks once said, "It happens to everyone as they grow up. You find out who you are and what you want, and then you realize that people you've known forever don't see things the way you do. So you keep the wonderful memories, but find yourself moving on." Growing up is a scary thing, but also a necessary part of life. But how did it get here so fast?

When did diapers become diplomas and Gerber become graduation? Just twelve short years ago, the 2013 seniors at Freeland High School were bringing kindergarten to a close. How did everything slip by so fast as students are now ending their senior year and moving onto different paths. The people they have seen five days a week for twelve years are going to be nothing but memories. Life will go on, and surely they will look back at their years at Freeland and smile.

Jaden Riffel

WOW, JADEN, YOU DID IT!
Grab and become all you can in

What Was Cool in 2012-2013

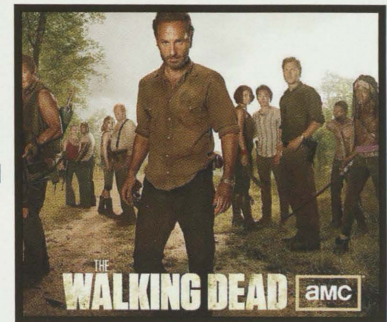

Duck Dynasty

"I like it because it's a bunch of rednecks who started from the bottom and now have everything. Also, Si is hilarious, I wish he was my uncle."
-Mitchell Whitting

iPhone 5

"I like the iPhone 5 because it is faster, lighter, and has a slate back. Also, there are better cases for the iPhone 5."
-Raul Venegas

Walking Dead

"I like the Walking Dead because it has a good story line and very skilled actors."
-Dominik Locke

Pitch Perfect

"I love Pitch Perfect because it is funny and Fat Amy is super hilarious. She is my idol and I love her to death."
-Emilie Martin

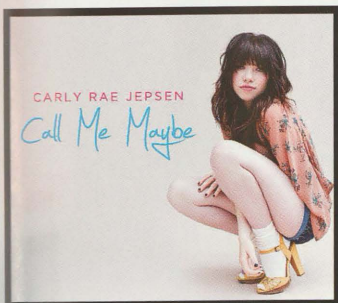

Bright Skinny Jeans

"Bright skinny jeans are great because they show personality. They also express creativity because you don't have to wear what everyone else wears."
-Nicole Wellington

Snapchat

"I enjoy snapchatting because it's an easy and fun way to communicate with your friends."
-Paige Brown

Call Me Maybe

"I like this song because it is really catchy."
-Brianna Bowman

Twitter

"It's a place for us to vent about things. Plus people can't write a novel about their feelings and emotions because you only have 140 characters."
-Nick Wirtz

Harlem Shake

"It's funny to watch people make others feel awkward when people do the Harlem Shake in public."
-Andrew Tuggle

Vine

"I like Vine because it's a new unique way to connect with friends. 6 seconds is perfect for the short clip to showcase memories, illusions, or just a good time."
-Ryan Landrey

One Direction

"They lift my spirits and provide an enjoyable atmosphere in the car. Plus they are pretty hot."
-Morgan Crofoot

Scarves

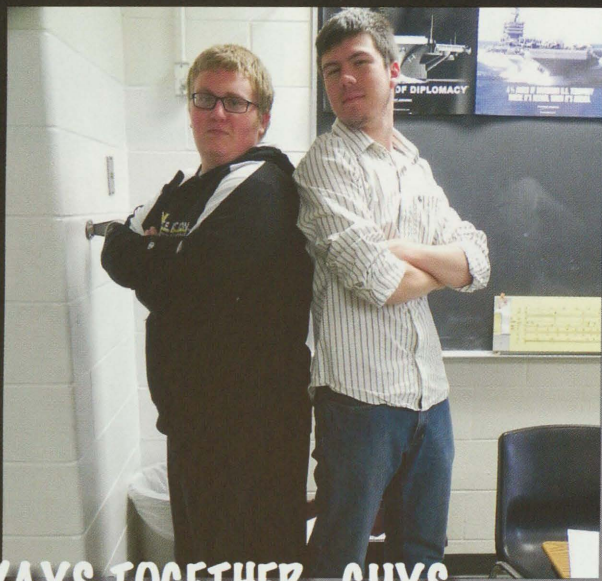

"I like scarves because they keep you warm in the cold winter months."
-Kathleen Hart

The spotlight was on the seniors at the fourth annual Oscar Night. With an auditorium filled with friends and family, seniors received Oscar awards from the class poll and enjoyed performances from several, very talented classmates. The evening included performances from Danessa Hellus, Taylor Brubaker, Jessica Clayton, and Taylor Spitzs. Some awards included best arms, which went to PJ Luebbert, and always together, which was given to Amanda and Abigail Polzin. The night ended with a slideshow followed by the senior's singing "Tattoos on this Town" on the stage together.
